ELECTRONIC MISCELLANEOUS DOCUMENT

PASSENGER RECEIPT

Where this document is issued for transportation, or services other than passenger air transportation, specific terms and conditions may apply. These terms and conditions may be provided separately or may be obtained from the issuing company or agent.

DATA PROTECTION NOTICE: Your personal data will be processed in accordance with the applicable carrier's privacy policy and, where your booking is made via a reservation system provider ("GDS"), with its privacy policy. These are available at <http://www.iatatravelcenter.com/privacy> or from the carrier or GDS directly. You should read this documentation, which applies to your booking and specifies, for example, how your personal data is collected, stored, used, disclosed and transferred.

TERMS AND CONDITIONS

This document is not valid unless properly validated.

If air carriage is provided for hereon, this document must be exchanged for a ticket and at such time prior to departure as may be required by the rules and regulations of the carrier to whom the document is directed.

If this document is issued in respect to baggage, the passenger must also have a passenger ticket and baggage check, since this document is not the baggage check described by Article 4 of The Hague Protocol or The Warsaw Convention as amended by the Hague Protocol, 1955 or the Baggage Identification Tag described by Article 3 of the Montreal Convention 1999.

This document is not transferable and neither the issuer nor any carrier nor any person supplying the non-air carriage services provided for hereon shall be liable to the purchaser or person named on the face hereof in the event of the loss or theft of this document, or if it is honored when presented by any person other than the person named hereon.

This document and any carriage or services for which it provides are subject to the currently effective and applicable tariffs, conditions of carriage, rules and regulations of the issuer and of the carrier to whom it is directed and of any carrier performing carriage or services under the ticket or tickets issued in exchange for this order, and to all the terms and conditions under which non-air carriage services are arranged, offered or provided, as well as the laws of the country wherein these services are arranged, offered or provided.

In issuing this document, the issuer acts only as agent for the carrier or carriers furnishing the carriage or the person arranging or supplying the services described hereon and the issuer shall not be liable for any loss, injury, damage or delay which is occasioned by such carrier or person, or which results from such carrier or person performing or failing to perform the carriage or other services, or from such carrier or person failing to honor this document.

The honoring carrier or person providing services reserves the right to obtain authorization from the issuing carrier prior to honoring this document.

The use of the term issuer, carrier or person includes all owners, subsidiaries and affiliates of such issuer, carrier or person and any person with whom such issuer, carrier or person has contracted to perform the carriage or services provided for hereon.

The acceptance of this document by the person named on the face hereof, or by the person purchasing this document on behalf of such named person, shall be deemed to be consent to and acceptance by such person or persons of these conditions.
